PAYMENTS: You may pay all or part of your Account balance at any time. However, you must pay at least the Minimum Payment Due by the Payment Due Date. You must pay us in U.S. dollars, in funds from a U.S. financial institution or a U.S. money order. We do not accept cash payments or wire transfers.

CREDITING PAYMENTS: If we receive your mailed check or money order, in U.S. dollars, with your payment coupon, in the provided envelope at the address shown on the payment coupon, by 5:00 p.m. Pacific Time, it will be credited as of the date received. Payments received after that time will be credited as of the next day. If our payment instructions are not followed, processing your payment may be delayed by up to five days. Electronic payments made through our website or through our Customer Service number and completed by 5 p.m. Pacific Time will be credited as of that day.

IRREGULAR PAYMENTS: Any payment submitted in offer of settlement of a disputed debt, including any item containing a notation such as "paid in full," and any other item with a restrictive endorsement, must be sent to: Credit One Bank, P.O. Box 95516, Las Vegas, NV 89193-5516. We can accept late payments, partial payments, and checks or other items with restrictive endorsements at any other address without losing any of our rights under the Card Agreement.

PAYMENT PROCESSING: We may accept and process payments without losing any of our rights. We may delay the availability of credit until we confirm that your payment has cleared even if we have credited your payment to your Account. We may submit and collect returned payments electronically. If necessary, we may adjust your Account to correct errors, process returned and reversed payments and address similar issues.

HOW TO AVOID PAYING INTEREST ON PURCHASES ("GRACE PERIOD"): You will not pay interest on Purchases if you pay the New Balance in full by the Payment Due Date shown on your billing statement each billing cycle. The Payment Due Date will be at least 24 days after the close of the billing cycle. If you have been paying your Account balance in full and thereby avoiding interest on Purchases, but then do not pay the next New Balance in full by the Payment Due Date, in that billing cycle we will start charging interest on the unpaid portion of your balance.

HOW WE CALCULATE INTEREST: We use the **"average daily balance method (including new transactions)."** We calculate interest separately for each type of balance shown in the Interest Charge Calculation box. For each type of balance, for each billing cycle, we start with the balance on the last day of your previous billing cycle. We subtract any unpaid interest. This is the beginning balance each day. Each day of the billing cycle we subtract any new payments and credits applied to that type of balance. We add any new transactions and fees for that type of balance. We add Purchases, Cash Advances, and Balance Transfers on the post date. We add transaction fees on promotional rate and non-promotional rate Balance Transfers to the same type of balance as the transaction on the first day of the billing cycle following the posting date of the Balance Transfer fee. We add all other fees to the standard Purchase balance. This gives us the daily balance for that type of balance, except if the daily balance is negative, we treat it as zero. We then add up all of the daily balances and divide by the number of days in the billing cycle. This gives us the "average daily balance" for that type of balance. We multiply the average daily balance by the applicable monthly periodic rate (the APR divided by 12). This gives us the interest charged for that type of balance for that billing cycle. This interest is included in the Account balance on the last day of the billing cycle. The results for all types of balances are then added together to determine the total interest charged that billing cycle.

Variable rates vary with the market based on the Prime Rate.

CREDIT REPORTING: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit reports. If you think we've reported inaccurate information, please write to us at the address for inquiries shown on the first page of your statement.

ANNUAL FEE NOTICE: If your Account has an Annual Fee, it will be charged either annually or monthly as described in the Pricing Summary of your Card Agreement. To avoid paying the Annual Fee, you must pay the New Balance in full by the Payment Due Date and contact us to close your Account within 30 days, or one billing cycle (whichever is shorter), after we issue the statement on which the Annual Fee is billed. You may contact us by phone at the Customer Service number or in writing at the inquiries address shown on the first page of your statement. An Annual Fee will continue to apply to a closed Account as long a balance remains on the Account.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at: Credit One Bank. N.A., P.O. Box 98873, Las Vegas, NV 89193-8873. In your letter, give us the following information:

- *Account information*: Your name and account number.
- *Dollar amount*: The dollar amount of the suspected error.
- *Description of problem*: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors in *writing*. You may call us, but if you do, we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than $50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in *writing* at: Credit One Bank. N.A., P.O. Box 98873, Las Vegas, NV 89193-8873.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.
